An mbeidh seirbhís éifeachtach agat?

Tá sibh i dteideal na seirbhísí seo faoin Chairt Eorpach do Theangacha Réigiúnda nó Mionlaigh. Dhaingnigh an Bhreatain 36 mír maidir leis an Gaeilge. Caithfidh áisínteachtaí poiblí seirbhís a chur ar fáil – cé go dtig leo go fóill scríobh chugat as Béarla. Is doiciméad beo í an Chairt agus cuirfear léi sa todhchaí de réir éilimh. Mar sin, tá sé tábhachtach go mbainfidh muid tairbhe as na cearta a bheireann sí orainn anois.

Beidh POBAL ag déanamh monatóireachta ar chur i gcrích na Cairte. I dtaca leis seo, beidh an-tábhacht ag baint le haiseolas chun measúnú a dhéanamh ar thionchar na Cairte ar sholáthar seirbhísí.

Má tá aiseolas agat maidir leis an tseirbhís a fhaigeann tú, cuir in iúl do POBAL é.

Will you get a proper service?

You are entitled to these services by right under the European Charter for Regional or Minority Languages. The British government have ratified 36 clauses for Irish. Government agencies must provide some services, though they may choose to write to you in English. The Charter is a live document and it will be developed further in the future according to demand. It is, therefore, important that we utilise those rights it bestows on us now.

POBAL will be monitoring the implementation of the Charter. In this regard feedback is important so we can consider the impact of the Charter on services through the medium of Irish.

If you have any feedback about the service you receive, let POBAL know.
