Carnogher

Carnogher Community Association is organising an Intensive Short Course in Irish on Saturday 17th September from 10am - 3pm.

This year there will be four levels, beginner, intermediate, advanced and for the first time ever at the Intensive course, there will be a Grammar Class, Rang Cruinnis, with Pádraig Ó Mianáin for fluent speakers who would like to perfect their grammar. We also welcome back tutors Susan Uí Mhianáin, Pól Mac Giolla Eoin and Seán Fearon who will be teaching the beginner, intermediate and advanced classes.

The shortcourse is a great introduction for people who have always wanted to learn Irish and also a great opportunity for those who wish to improve their Gaeilge.

The Cruinneas class is suitable for fluent Irish speakers, teachers, classroom assistants, past-pupils of the Ardrang and students studying Irish at A-Level.

If you would like to attend the shortcourse, please fill out the form attached and return it to An Carn with payment on or before Friday 9/9/2011 to secure your place.
